MEMORANDUM FOR: DIRECTOR, PSYCHOLOGICAL STRATEGY BOARD
SUBJECT : Minutes of Fifteenth Psychological Strategy Board Meeting

I have noted the minutes of the fifteenth meeting of the Psychological Strategy Board and concur therein, subject to the substitution of the following revised language for Agenda Item No. 3, which, I believe, reflects more accurately the action which was taken by the Board at this meeting:

25X1A

The Board did not accept [redacted] report. It agreed that intra-agency and department coordination for research should be further developed. A formal centralized mechanism for interagency and department coordination would not be authorized at this time. The Board noted the informal coordinating procedures now being conducted by OIR of the State Department; agreed to PSS Staff association with these activities; and directed the PSS Staff to make further recommendations with respect to the problems elicited in the briefing.
